

The Report Card
2010
St. Catharines and Area

Why should I bother to vote?

Municipal government has a direct impact on arts, culture and heritage. Your vote will affect which municipal programs and services are maintained, developed, funded and managed. Your vote will even affect what attitudes are adopted in our Council chambers, how social problems are addressed and what kind of education our children experience.

*In art and in politics,
each and every voice can make a difference.*

Who is telling me how to vote?

Nobody! Your vote is your business.

ArtsVote Niagara is a cross-disciplinary, non-partisan network of volunteers that encourages artists, arts supporters and arts, culture and heritage workers to vote. By soliciting and evaluating candidate views, we give you information on how candidates compare to one another on arts, culture and heritage questions. You make your own choices!

How do I know I am eligible to vote?

You are eligible to vote if you are a Canadian citizen; at least 18 years old; residing in the local municipality or an owner or tenant of land there, or the spouse of such owner or tenant; and not otherwise prohibited from voting. On Election Day bring your voter notification card and identification to your local polling station. If you have not received a voter notification card, be sure to take proof of residence and citizenship with you to your local polling station.

Click on 2010 Municipal Elections on The Ministry of Municipal Affairs and Housing at www.mah.gov.on.ca for answers to other voting questions you may have about eligibility, for instance if you are homeless with no permanent address, you are a student living away from home, you are wondering how to vote in the school board election, or you are considering proxy voting.

Where do I go to vote?

Go to the Association of Municipalities of Ontario website to find out where the polling station nearest to you is located.

How did you grade the candidates?

A multiple choice survey was designed and developed by the ArtsVote Niagara Executive Committee for distribution by email to candidates running for election in St. Catharines and the eastern Niagara Region.

The survey is available on line at www.artsvoteniagara.ca.

Who did you survey?

This year we concentrated on surveying candidates for Mayors, Councils, Region and School Boards in the St. Catharines and Area municipalities. St. Catharines, Welland, Niagara Falls and the Regional Municipality each have cultural policies and/or plans. Selected offices are published on the printed report card, but more candidates' grades are available on line at www.artsvoteniagara.ca.

Who is behind ArtsVote Niagara?

ArtsVote Niagara 2010 is governed by an Executive Committee of five volunteers from the cultural sector: Janis Barlow, Clark Bernat, Colleen Blake, Steve Remus and Debbie Slade.

Special thanks are due to the volunteer efforts of: Patti Broughton, Jane Gardner, Becky Henderson, Stephanie Jones, Sara Palmieri, Natasha Pedros, Elaine Smithies, Annie Wilson, Barbara Worthy, Odette Yazbeck, and everyone who has helped to disseminate information about ArtsVote Niagara 2010.

What do the grades mean?

The ArtsVote Niagara 2010 grades are based primarily on candidate surveys. ArtsVote tends to give candidates the benefit of the doubt. A cautionary note: it is one thing to excel in a survey and another to deliver on a platform that includes a collaborative, strategic and productive engagement of the cultural sector.

ArtsVote Niagara also takes into account votes on key cultural issues at St. Catharines and Regional Councils. Here is a guide to help explain what the current grades mean.

- A+** **DAZZLING.** A leader who talks the talk and walks the walk. Boldly champions arts, culture and heritage issues. Fully informed and engaged. This grade is reserved for incumbents or former incumbents who have proven integrity.
- A** **OUTSTANDING.** Advocates the value of the arts, culture and heritage to municipal life. Talks the talk and offers some evidence they will walk the walk.
- B** **SOLID.** Assumes some arts, culture or heritage friendly positions. Has provided support and offered some degree of awareness of the importance of the sector.
- C** **UNFAMILIAR.** Arts, culture and heritage issues are not high on the priority list. The candidate is unfamiliar with the sector, or is reluctant to make commitments.
- D** **INADEQUATE.** Doesn't get it. Uninformed, uninterested and/or antagonistic toward the concerns and perspectives of artists or arts, heritage and culture workers.
- F** **FAILURE.** Really doesn't get it. Poses a potential danger to the health of the cultural sector.
- R** **REMEDIAL ACTION REQUIRED.** Did not return the survey or did not complete the survey, and failed to indicate why.
- R+** **REMEDIAL ACTION REQUIRED.** Did not return the survey, or failed to complete all relevant questions, but has been or claims to be supportive of the cultural sector.
- R-** **REMEDIAL ACTION REQUIRED.** Did not return the survey, and expresses indifference or negative attitudes towards the creative sector.
- N** **NOT SURVEYED.** Was not in the survey pool for this election or was not reached by email.
- N+** **NOT SURVEYED.** Was not in the survey pool for this election or was not reached by email but has been or claims to be supportive of the cultural sector.
